

GOOGLE SEARCH CONSOLE ACCESS

1. Choose a property in Search Console.
2. Click the **Settings icon**  in the navigation pane.
3. Click **Users & permissions**.
4. Click **Add user** in the top right-hand corner of the screen.
5. Enter the email address for Pikewood Digital's SEO account, standardseoanalytics@gmail.com. Then select the permission to grant the user. We recommend **"Full"**.
6. Click **Add**.
